FOR TEACHERS AND SCHOOL LEADERS

AI programs built to complement *school curricula.*

01 Staff training

PD SESSION · 2 TO 3 HOURS

A live session for all staff

A live demo of one task, then each teacher tries it on their own material. Most recently at Schwarzman College, Tsinghua University.

HANDS-ON WORKSHOP

Department or whole faculty

Each teacher builds a working tool for a class they teach, with help in the room and a follow-up after.

TOOLS TEACHERS HAVE BUILT

Feedback helper
Drafts rubric-based comments for the teacher to edit.

Who is missing what
Shows which students are missing which piece of knowledge.

Poem annotator
Marks the literary devices in a poem's margin for close reading.

FIVE LEVELS OF AI FLUENCY, REASSESSABLE EACH TERM

1 Unaware | 2 Curious | 3 Practitioner | 4 Designer | 5 Builder

02 Student program

5 DAYS · PROJECT-BASED · GRADES 6 TO 12 · ON YOUR CAMPUS

AI Fundamentals: a product-building bootcamp

Students learn 20+ of the newest AI tools, use AI ethically and responsibly, and leave with a working web or mobile app.

DAY 1	DAY 2	DAY 3	DAY 4	DAY 5
Pick a problem	Talk to users	Launch it	Name and price	Demo day

RESULTS

Most recently at the International School of Beijing, with judges from Harvard, Stanford, and Y Combinator.
At Bodley Academy, a ten-year-old built a sign-language-to-speech app in five days (9.5/10 Net Promoter Score).

03 Parent talk

MORNING · SMALL GROUP · ENGLISH OR CHINESE

Parent coffee: the future of work and education

From people who do the hiring themselves: how AI-native work and hiring have changed, which skills will matter next, and practical advice for families of grades 6 to 12. Most recently at the International School of Beijing PTA Parent Coffee.

How we work

Scope
Plan a call to set your school's goals and work around your schedule.

Adapt
We adapt the program to your students' ages, language, and timetable.

Run
We lead every session, and one of your teachers co-runs it with us.

Hand off
Your team keeps the curriculum, rubrics, and demo-day format.
