02 What your child builds and learns

Concrete skills, on a real product.

Choose a real problem

And pitch it in three minutes. (Agency)

Test with real users

And judge which version works. (Taste)

Launch and explain it

At a live link, every decision defended. (Craft)

PRACTICAL SKILLS

- Building with AI
- Talking to users
- Pitching
- Research and judgment

03 What it leads to

Work to show in college, summer, and internship applications.

1. Launch
2. Traction
3. Revenue
4. Impact
5. Recognition

WHAT THEY KEEP, FOR COLLEGE, SUMMER, AND INTERNSHIP APPLICATIONS

- A live product
- A documented record
- People who know their work
- Experience presenting it

International School of Beijing — Students built working apps with AI and presented them to judges from Harvard, Stanford, Y Combinator, and AI labs.

Bodley Academy — A student launched a sign-language-to-speech app in five days.

Admissions decisions rest with each university; we do not promise an outcome.
