ARENA SCHOOL | A MEMBER OF ANTHROP\C Startup Program · OpenAI Partner Network

FOR TEACHERS AND SCHOOL LEADERS

AI programs built to complement *your school's curriculum.*

Staff training, a student bootcamp, and parent talks.

01 Staff training

PD SESSION · 2 TO 3 HOURS

A live session for all staff

A live demo, then each teacher tries the task on their own material.

HANDS-ON WORKSHOP

Department or whole faculty

Each teacher leaves with a working tool for their class, plus a follow-up.

FIVE LEVELS OF AI FLUENCY, REASSESSABLE EACH TERM

1 Unaware · 2 Curious · 3 Practitioner · 4 Designer · 5 Builder

Most recently at Schwarzman College, Tsinghua University.

02 Student program

5 DAYS · GRADES 6 TO 12 · ON YOUR CAMPUS

AI Fundamentals: a product-building bootcamp

Project-based: students learn 20+ of the newest AI tools, use AI ethically and responsibly, and leave with a working web or mobile app.

DAY 1	DAY 2	DAY 3	DAY 4	DAY 5
Pick a problem	Talk to users	Launch it	Name and price	Demo day

Most recently at ISB, with judges from Harvard, Stanford, and Y Combinator; upcoming sessions in Hong Kong and Guangzhou.

03 Parent talk

MORNING · SMALL GROUP · ENGLISH OR CHINESE

Parent coffee: the future of work and education

Firsthand, from people who do the hiring themselves.

- AI-native work and how hiring has changed
- Which skills will matter as jobs change
- Practical advice for families of grades 6 to 12

Most recently at the ISB PTA Parent Coffee.

How we work

Scope

Plan a call to determine your school's goals and work around your schedule.

Adapt

We adapt the program to your students' ages, language, and timetable.

Run

We lead every session, and one of your teachers co-runs it with us.

Hand off

Your team keeps the curriculum, rubrics, and demo-day format to reuse.
