ARENA SCHOOL | A MEMBER OF ANTHROPIC OpenAI

Demo day at the International School of Beijing, 2026

FOR FAMILIES · FIVE DAYS TO DEMO DAY

# Hands-on AI programs where students build *and launch a real product.*

With mentors from Harvard, Caltech, Tsinghua, McKinsey, Goldman Sachs, and Y Combinator.

## 01 What your child walks away with

For college, summer program, scholarship, and internship applications.

### A live product

At its own link, with their name.

### A documented record

To describe in an application.

### People who know their work

Mentors and reviewers.

### Experience presenting it

To people who ask hard questions.

## 02 How they get there

The five-day Entrepreneurship & AI Intensive, at your child's school.

**DAY 1**
### Choose a problem
Pitch it in three minutes. Teams form.

**DAY 2**
### Talk to users
Interview the people they want to help.

**DAY 3** Launch
### Live at a link
A working version anyone can open.

**DAY 4**
### Brand and price
Name it, price it, stop at a fixed hour.

**DAY 5** Pitch
### Demo day
Pitch to a panel. Families invited.

## 03 The AI tools they learn

Real tools, used hands-on, on a project of their own.

- **ChatGPT** — Research a problem
- **DeepSeek** — Research and reason
- **Perplexity** — Check sources
- **Claude** — Build apps
- **Kimi Code** — Write and fix code
- **Vercel** — Launch at a live link
- **Figma** — Design the screens
- **Canva** — Make the brand

## Two ways to start.

Ask your child's school to bring Arena, or enroll in the Year-Long Project Mentorship directly.

Admissions decisions rest with each university; we do not promise an outcome.
