ARENA SCHOOL

FOR FAMILIES

What your child *makes, learns and keeps.*

Hands-on programs where your child builds something real with AI, with mentors beside them.

Demo day, Beijing, 2026

01 What your child does

And where we have run it.

Workshops

Rebuild an app, or build a portfolio site.

At your child's school

Intensives

Teams launch a real product and pitch it.

With mentors in the room

INTERNATIONAL SCHOOL OF BEIJING 北京顺义国际学校 · Bodley Academy

Five-day student programs

Mentorship

One project, 1:1, at their own pace.

Weekly check-ins, hybrid

INTERNATIONAL SCHOOL OF BEIJING 北京顺义国际学校

ISB alumni continue here

Parent talks

How AI is changing work and college.

At your child's school

PTA Parent Teacher Association

Parent talk, ISB PTA

02 The milestone ladder

Year-long mentorship, judged on the work.

1 Launch	2 Traction	3 Revenue	4 Impact	5 Recognition
A working product at a public link	Users from outside their circle	First income from paying users	Many users, press, or a final	A national win, or a company

Weekly
25-minute check-ins, hybrid

Solo or a team
Up to four students

Start
Rolling

Length
Six months to a year

03 Safety and student data

Student data stays in accounts the school approves.

Personal account

- ✕ Consumer terms
- ✕ No data agreement
- ✕ Not for student data

vs

School-approved platform

- ✓ Enterprise agreement
- ✓ Agreed by the school
- ✓ Approved for student data

- **No student data in personal accounts**
- **AI use disclosed**
- **Inside your approved platforms**
- **Your data-protection lead decides**

A MEMBER OF ANTHROP\C Startup Program · OpenAI Partner Network

OUR TEAM STUDIED AT Caltech · HARVARD · BROWN · 清華大學 Tsinghua University · INTERNATIONAL SCHOOL OF BEIJING 北京顺义国际学校

OUR TEAM WORKED AT McKinsey&Company · Goldman Sachs · Y · Microsoft AI · Deloitte. · KIMI

Two ways to start.

Ask your child's school to bring Arena, or enroll in the Year-Long Project Mentorship directly.
